The vision of the stork is one which brightens the eyes and quickens the heart beat of every young wife. Yet often the vision is never realized, and as the laughter of infant voices floats from without into the childless home the eyes sicken and the heart grows hungry.

It often happens that childlessness is due to conditions which may be corrected. Many women have found that the vitality and vigor imparted by Doctor Pierce's Favorite Prescription to the womanly organs, has been the one thing needful to fulfill the joy of motherhood. This famous medicine is not a cure-all, but a specialist's prescription, having as a single aim the cure of diseases peculiar to women.

Sick or weak women are invited to consult Dr. Pierce, Buffalo, N. Y., by letter, free of charge, thus avoiding the indelicate questions, offensive examinations, and local treatments, generally considered necessary by inexperienced practitioners. All letters are held as strictly private and answered with the greatest confidence. Each answer is sent in a perfectly plain envelope.

There is neither alcohol nor other intoxicant contained in "Favorite Prescription," and it is absolutely free from opium, cocaine and all narcotic drugs.

"My wife was sick for over eight years," writes Albert H. Fulle, Esq., of Allamont, Grady County, Tenn. "She had uterine disease and was treated by two physicians and got no relief. At last I read, in one of your Memorandum Books, which you sent me, about Dr. Pierce's medicine, and we decided to try his 'Favorite Prescription.' I sent to the drug store and got one bottle and the first dose gave ease and sleep. She had not slept any for three nights. Being sure that it would cure her I sent for five more bottles, and when she had taken the sixth bottle she was sound and well. We now have a fine boy at our house."

Dr. Pierce's Pleasant Pellets promote a healthy condition of the stomach.

GEN. LEE ON CUBA.

People of the Island Slowly But Surely Rebuilding Their War-Wasted Homes

INDUSTRIAL SITUATION IMPROVING.

The General Thinks the Time is Not Ripe Yet, However, for a Purely Cuban Government.

The Cubans Are Tractable and Quiet and the Revolution Has Given Them Self-Respect and Self-Reliance—Money Gradually Going Into Cuba.

WASHINGTON, Oct. 30.—Gen. Fitzhugh Lee, who arrived in Washington Saturday night from New York, in an interview Sunday, said that the people of Cuba are steadily improving under the existing protectorate of the United States, and are slowly but surely rebuilding their war-wasted homes and repairing their crippled fortunes.

Life and property are secure in Cuba owing largely, he said, to the salutary restraint exercised by American military authority. He thinks the time not ripe yet, however, for a purely Cuban government. "Cuba," said Gen. Lee, "is improving. The Cubans are tractable and quiet and the revolution has given them self respect and self-reliance."

"Their impulses are generally in the right direction, but of course, both in the theory and practice of self-government, they are wholly without experience. There is among certain Cubans a deep seated prejudice against some men who, the Cubans think, oppressed Cubans under Spanish rule, and if given a free rein the Cubans would make short work of them."

"The United States government is pledged to grant independence to Cuba after the island has been pacified, and I believe that promise should be fulfilled just as swiftly as we can in reason and justice. The industrial situation is improving and money is gradually going into Cuba, but nothing like as fast as it would if investors were sure that property would remain safe

FUNERAL PARADE.

The Remains of Gen. Henry Taken to the Pennsylvania Train That Conveyed It to Washington for Interment.

New York, Oct. 30.—The largest and most impressive military funeral parade since the death of Gen. William T. Sherman took place Sunday morning when the body of Gen. Guy V. Henry was removed from his residence to the Pennsylvania train that conveyed it to Washington, where interment will be made in Arlington cemetery. The services at the residence were conducted by Rev. John Huske, of St. Thomas Protestant Episcopal church, and consisted of simple prayers, lasting not more than ten minutes. The coffin was partially covered with a silk American flag. Numerous floral pieces were on the mantels and a few on the foot of the coffin. The immediate family, relatives and the most intimate friends were present at the house service.

WASHINGTON, Oct. 30.—The funeral train bearing the remains of the late Gen. Henry arrived here from New York at 8:10 o'clock Sunday night. With a platoon of light artillery as escort the body was taken to St. John's Episcopal church, where it will lie in state under a guard of honor furnished by the Guy V. Henry post of the Loyal Legion until the funeral Monday.

The railroad lines are interrupted and most of the highways are impassable in consequence of the floods and landslides.

Advices from the town of Black River report great damage to shipping and wharves there, as well as serious injury to crops.
